Product Details

Protect yourself and the riders around you in style.

Designed with input from Yeti Cycles staff, our Face Mask provides full coverage while being easy to wear. The single strap design is easy to adjust and has a barely-there feel, even when wearing a helmet. The two-layer design holds commonly available PM2.5 filters, and HEiQ V-Block antimicrobial treated fabric provides resistance to microbes and germs. Durable sublimated graphics give it a dash of Yeti style.

Features

- Lightweight Italian stretch knit fabric with 50+ UPF protection.
- HEiQ V-Block antimicrobial finish provides protection against microbes and germs, effective for 10+ washes. Bluesign and OEKO-TEX certified, non toxic.
