Product Details

You have enough obstacles to negotiate when riding mountain biking. Poor visibility shouldn't be one of them. The Enduro goggle system features a specially developed dual-pane lens with ventilation to prevent fogging, enabling you to zero in on the obstacles ahead through any treacherous conditions you throw at it.

Features

- Dual-pane scratch resistant lens prevents fogging in all riding conditions.
- Topview lens technology increases peripheral vision.
- Oversized 45mm wide silicon coated strap eliminates slippage.
- Flexible urethane frame design enhances fit with increased durability.
- Three layer moisture managing foam keeps you sweat free.
- Utilizes the same replacement lens as all other 100% goggles.
- Filter Category: 0.
- Light Transmission 80%-83%.
