Pack Quantity Piece
Price : £18.99 inc VAT

Overview

The Knog + (pronounced "plus") front bike light is a super-bright, 100% waterproof and totally versatile USB rechargeable bicycle light. Mount the light to your seatpost, seat stays and pannier racks, or use the integrated wearable clip to attach the light to your t-shirt or backpack. More of a runner than a cyclist? No dramas. The Plus light also doubles up as a wearable night running light. Just attach the light to your tshirt, shorts, socks or headband using the smart integrated clip. With an output of 20 lumens and a run time of up to 40 hours in eco flash, the Plus ensures you are well seen to all other cyclists, road users and trail runners all night long.

Runtime

MODE	Steady	Strobe	Pulse	Fancy Flash	Eco Flash
TIME	2hrs	8.5hrs	4.5hrs	10hrs	40hrs

Features

- **Integrated Clip** - Remove the light from the magnetic mount and clip it onto your shirt, shorts, socks or bags using the integrated wearable clip.
- **LEDs** - Efficient chip on board (COB) LEDs designed to provide maximum brightness level for up to 90% of the battery burn time for each mode.
- **Light Modes** - Steady, pulse, strobe, fancy flash, eco flash.
- **100% Waterproof** - The plus (+) is IP67 tested and 100% waterproof against all elements.
- **Integrated USB Plug** - No charging cable required, plugs directly into usb ports & is designed to be

exposed to the elements.

- **Button** - Longer button push on (0.75sec) prevents accidental turn on. Short presses switch modes continuously.
- **Charge time** - 4 hours (led will turn off when fully charged).
- **Battery** - USB rechargeable lithium polymer.
- **Bike Attachment** - Tool-less removable silicone straps for bars 22 - 32mm+ diameter with magnetic mount. Fits oversize bars.
- **Accessories Included** - 2x interchangeable straps for posts 22-27mm / 28-32mm+, and magnetic mount.
