### Overview

The Blinder ROAD 600 is the performance light for the ultimate road cyclist, with the brand new 2020 model with an upgraded output of 1.5x brighter than the previous Blinder Road. Packing 600 lumens of light and using two of the latest high-intensity LUMILEDS LEDs ensures roads and paths are flooded with light, no matter where you ride.

With incredible power / weight ratio and dual + constant flash modes, you won't find another light like this.
