Overview

If you want to keep your bike paint in tip-top shape, these frame protector clear sticker kits are your best route.

It happens to all of us - we scratch the paint job on our precious steed. If you want to keep your bike paint in tip-top shape, these Frame Protector clear sticker kits are your best route. Cut to fit each bike model and in glossy or matte to best match your paint job. Each kit includes pieces to protect the downtube, seat tube, chainstays, seat stays, head tube and bottom bracket. Before installing, please visit our Support page and read the protector guide for your bike model.
