Overview

Why is it most grips run best when they're almost worn out? Half Nelson's are designed to give you that super tacky thin feel straight out of the box. Thin, tacky, light weight...everything you want in a grip.

- Single lock on grip
- Super slim low profile design
- Lightweight - (24g lighter than Race Face Sniper lock on / Pair)
- Uses Race Face's soft and durable super tacky VEXY
- Race Face MX style half waffle for added grip security compound
- Topographic moisture channels
- Built for: XC/AM/DH
- Weight: 92.5g
- Colour : White
