DEMODE18YCSB5L

RRP: £6999  
Discipline: Trail  
Material: Carbon Fibre  
Size: Large

Pack Quantity Piece  
Price : £5499.00 inc VAT

### Overview

With this year's demo season coming to an end, it is now time to set our fleet free into the wild. This 5c has been treated well, with little more than a few scuffs to the non-drive side top tube and the fork decals to show its time spent in action. After a complete strip down, service and reassembly by our seasoned technicians this high spec 5c is ready to let rip.
