### Overview

The Foxy Carbon is Mondraker's benchmark trail bike. For this latest generation Mondraker set about improving on the Foxy Carbon's already high-performance and category leading status. Leaving no area untouched, Mondraker shaved, tweaked, redesigned and reworked every part from the ground up to improve it in every area and to create what they feel to be 'the bike'.

With increased stiffness and riding comfort the Foxy offers great traction on technical climbs, exquisite handling and spectacular downhill prowess to establish itself as the most complete multi-purpose Mountain Bike Mondraker have ever manufactured. Its fantastic pedalling efficiency boost the bike's climbing capabilities while the Forward Geometry, adjustable geometry and smooth Zero Suspension also aid downhill performance.

The 2019 Foxy Carbon R 27.5" features the all new SRAM NX Eagle drivetrain, Mavix XA wheelset and Maxxis Minion DHR II and Agressor tyres.
