YCB18S5PTXLRTDFAEG24500

Discipline: Trail
Material: Turq Series Carbon
Weight: 27.5lbs

Pack Quantity Piece
Price : £4199.40 inc VAT

Overview

The SB5+ is its own beast - it stands on its own in a burgeoning category and, due in part to the elevated chainstay, is able to run up to 3.0 tires. To be clear, it isn't the SB5 with plus tires on it - it's slacker and longer. The SB5+ is a plus-sized dedicated bike that takes on muck, loose gravel and varied trail conditions with ease. As expected of any Yeti, the SB5+ is also flickable and agile, striking the balance between traction and playfulness.

FEATURES

Material	Turq Series Carbon
Travel	127mm / 5"
