

SILVERFISH

Fox Steel Spring

-039-12-003

Material: Steel
Colour: Black
Shock spring only

Pack Quantity Piece
Price : £44.95 inc VAT

Overview

Genuine Fox steel spring for all Fox coil shocks.

All standard steel springs are black and are marked with their spring rate in lbs/in (in 50 lb increments) and the total travel of the spring itself. Standard black springs should only be paired with shocks having less travel than the travel marked on the spring itself.
