

Easton EA70 Aluminium Stem

EASTON
CYCLING

-EA2032074

Material: EA70 Aluminium
Weight: 145g
Clamp Diameter: 31.8mm

Pack Quantity Piece
Price : £37.49 inc VAT

Overview

EA70 alloy continues to provide an impressive balance of performance and value. From lightweight aluminum tubing, to 3D forging processes and our TopLock technology, Easton alloy stems integrate careful design choices into the lineup.

Features

- **Finish** - Black Ano
- **Weight** - 132g .
- **Rise** - +/- 7°, 0.
- **Clamp Diameter** - 31.8mm.
- **Lengths** - 70mm, 80mm, 90mm, 100mm, 110mm, 120mm, 130mm.
- **Steerer** - 1 1/8".
- **Material** - EA70 Aluminium.
- **Diameter** : 31.8mm
- **Discipline** : Road
- **Material** : Alloy
- **Rise** : 17 Degree
