RACEFACE

EA609045

Removable D30™ protective foam at hips
Butterfly mesh throughout
Flatlock seam finish

Pack Quantity Piece
Price : £79.95 inc VAT

Overview

The Flank Liner with second-skin comfort fit keeps targeted hip and thigh protection in place through a rider's full range of motion. Removable D30™ high performance shock absorbing foam protects the hips while low-profile custom moulded foam at the outer thigh offers additional protection against knocks. Strategic mesh fabric mapping and a high performance, Italian-made chamois with triple-density foam and rapid sweat absorption technology encourage air flow when things heat up. Contrast flatlock stitching and soft brushed 'Boxer Style' waistband add to comfort and style.

- Removable D30™ high performance shock absorbing protective foam at hips.
- Butterfly mesh throughout ensures a second skin fit to keep targeted hip protection in place.
- Highly durable mesh panels at inner thigh ensure maximum venting.
- Custom heat-moulded foam at outer thighs offers additional protection against knocks and bumps.
- Flatlock seam finish ensures mobility and comfort through the rider's full range of motion.
- High performance, Italian-made chamois with triple-density foam, rapid sweat absorption technology, anti-bacterial properties and Eschler top fabric.
- Soft brushed Boxer Style elastic waistband.
- Custom elastic leg hem holds the short in place.
