Price : £69.95 inc VAT

Overview

Specifically designed with the growing Enduro scene in mind, the Indy Leg combines the unrestricted mobility of the Race Face Charge Leg with the additional protection and adjustment of the Ambush Knee. Second-skin Butterfly Mesh sleeve with targeted D30™ high performance shock absorbing protective foam knee. Protection you can trust on rowdy descents built into a minimal sleeve for unlimited range of motion while climbing.

- Butterfly mesh sleeve with second skin fit and targeted D30™ high performance shock absorbing foam knee coverage.
- Woven elastic top strap with velcro closure offers personalized adjustment.
- Silicone gripper along inner top opening ensures 'stay-put' fit.
- Silicone patch at shin eliminates slippage.
- Flatlock comfort seam finish.
