Overview

Mother Nature has met her match with this low profile glove engineered to keep you going fast in cooler weather. Get the perfect amount of insulation to block out damp, cool temperatures while maintaining exceptional dexterity and control of your bike. These work well for those cold trail exploring or maintenance days.

Features

- Neoprene cuff gives a streamlined look while offers maximum durability and comfort.
- Adjustable TPR wrist closure with hook and loop backing ensures proper fit.
- Lightly insulated soft-shell top hand provides protection against colder temps.
- Moisture wicking microfiber interior provides the perfect level of insulation.
- Reflective graphics on top of hand offer a clean look with improved visibility.
- Single layer Clarion palm for premium comfort and performance.
- Silicone printed palm graphics increase grip in damp conditions.
- Integrated tech thread keeps you connected with your devices.
