Overview

Mother Nature has met her match with this low profile glove engineered to keep you going fast in cold, wet weather. Laminated insulated shell with waterproof breathable insert blocks out the water and keeps them dry while maintaining exceptional dexterity and control of your bike.

Features

- Single-layer PU palm for weather protection.
- Lightly insulated soft-shell top hand ensures protection against colder temps.
- Waterproof-breathable insert secured to outer layer for optimal gripping.
- Silicone printed palm graphic increases grip in wet conditions.
- Reflective graphic on top of hand offer a clean look with improved visibility.
- Embossed graphics for some added texture.
- Extended waterproof neoprene pull-on cuff for more coverage.
- Conductive index finger & thumb keeps you connected with your digital device.
- Material: 61% Polyester, 23% Nylon, 12% Polyurethane, 4% Elastane.
