Overview

While the Prospect Glove remains minimalist in design, we added features for days when you're looking for more coverage and maximum performance. We designed these midweight gloves with perforated leather palms for increased ventilation and a Velcro closure at the wrist. Additional details like the data tip pointer finger, silicon grip trigger finger and suede thumb back load this glove with the features you need.

- Tough yet breathable lightweight backhand.
- Adjustable Velcro closure.
- Silicon grip on trigger finger.
- Perforated palms for extra ventilation.
- Data tip finger for easy mobile device use.
- Suede thumb back for nose wipes.
