Overview

For the mountain biker who loves a super lightweight and breathable glove. The Enduro Glove uses quality construction and a barely-there feel to give you the handlebar traction you need on the Enduro track or local lunch ride.

Features

- Ultra-lightweight, ventilated backhand.
- Cuffless construction.
- Suede thumb backs for nose wipes.
- Silicone gripper on trigger fingers and palm.
- Perforated palms for extra ventilation.
- Lycra stretch inset at cuff.
- Material: 84% Polyester / 16% Spandex.
