Overview

The Racecraft represents our commitment to create an enhanced user experience, by providing racers with a higher level of functionality and accurate vision. The synthesis of precision engineering and minimalistic design results in a premium goggle that performs as great as it looks.

Features

- Outriggers: Help to achieve perfect fit and balance.
- Removable nose guard: Attachment of the nose guard ensures stability and protection in the most testing conditions.
- Foam: Thirsty triple layer moisture managing foam.
- Lens: Anti-fog coated polycarbonate lens for flawless vision. Shares the same lens shape across the product line.
- Lens Attachment: 9 pin lens retention system. The highest number of retention points in the industry ensures a secure fit.
- Strap: 45mm wide, Silicon coated strap eliminates slippage.
- Air intakes: Patent pending technology channels air into the foam, aiding in moisture management.
