### Overview

The plot may thicken, but your jacket doesn't have to. Designed with simplicity in mind, this lightweight, abrasion resistant, 3-ply Nylon DWR treated jacket features a waterproof and breathable membrane with a rating of 10,000mm; 15,000g/m2. This clean design extends to fully sealed seams, a single waterproof interior pocket, and an engineered fit to keep you comfortable and dry while out on epic day pedals.

### Features

- Internal welded pocket.
- Elasticated hood, cuffs, and waist.
- Reflective screen printed branding.
- Gilled underarm ventilation.
- Bonded rubber overlay elbow patches.
