Lightweight reversible jersey
Moisture wicking technology
Stretch mesh side panels

Pack Quantity Piece
Price : £24.97 inc VAT

Overview

This lightweight reversible 3/4 sleeve jersey features Repreve® moisture wicking technology to keep you cool and dry. Feel good wearing it knowing that the recycled fibre content, supplied by Unifi USA, is derived from post-consumer and post-industrial waste. Stretch mesh side panels offer additional venting. Hidden stash pocket located in the side panel features a faux suede pocket bag that doubles as a goggle wipe. Contrast reflective tape with zig zag stitch runs the length of the back adding a feminine detail, while racing stripes on the right sleeve just make you look fast.

- Reversible design is solid one side and polkadot pattern with random contrast skull print on reverse.
- Repreve® Fabric
- 51% Repreve® recycled Polyester
- 38% CoolDry Polyester, 11% Spandex, quick dry, wash and wear.
- Repreve® moisture wicking technology
- Flatlock stitching throughout
- 3/4 length sleeve
- Crew neck
- Hidden zip stash pocket located in side panel
- Faux suede pocket bag doubles as goggle wipe
- Fabric has stretch but we recommend one size larger for looser fit over elbow pads.
