Overview

Whether heading out for a race or just an epic day of riding, the Enduro 3/4 Sleeve Jersey is essential to your kit. New this year, we added Polygiene anti-stink technologies and aside from those muddy days, you won't need to wash this year. For reals, we tested it. We also added a sunglass wipe and open-knit and DriRelease fabrics in the collar and arms for a more comfortable fit and wicking sweat. The 3/4 length sleeves offer superior sun and crash protection and the lightweight, wicking fabric helps keep you cool and comfortable all day.
