Overview

The Granite Jersey offers the best of both worlds for the rider looking to go straight from the trail to post-ride festivities. The look is Colorado casual, but this jersey is packed with useful features including a hidden, zippered chest pocket, stretch fabric that wicks away moisture, and low-profile mesh paneling exactly where you need it. Soon to be the favourite of the lunch ride cyclist, the Granite Jersey fulfills the Yeti apparel promise: everything you need, nothing you don't.
