Overview

The all-new Tolland S/S jersey is made for those frequent instances we're charging up Apex on a hot summer day. When our home trail can feel like an easy bake oven, Stone Cold fabric technology cools us off - up to 3 to 4 degrees F cooler - when we're making big moves up rock features. DriRelease side panels and underarms ensure sweat is wicked away promptly. Paired best with the Teller or Freeland Short.

- Stone Cold quick-dry, cooling, anti-microbial and eco-friendly fabric.
- DriRelease quick-dry, anti-microbial fabric knit side and arm insets.
- Hidden sunglass wipe on bottom hem.
