Rear ventilation system  
3-ply waterproof fabric  
Soft brushed inner waistband

Pack Quantity Piece  
Price : £49.98 inc VAT

### Overview

Fully seam-sealed 3-layer waterproof Short. Main body fabric is soft hand 90% Polyester, 10% Spandex DWR treated to repel water. Outer fabric is laminated to a waterproof breathable membrane (10,000mm; 10,000g/m2) and backed by durable, lightweight mesh.

Don't let the elements stop you from shredding your bicycle. This fully seam sealed, 3-ply fabric shorts will help keep your stoke levels high when the weather is saying otherwise. An internal gaiter system takes rain protection to the next level. Two waterproof hand pockets keep your essentials dry while a large rear ventilation panel helps keep your body temperature regulated. Any Race Face knee pad will fit comfortably under the hem of these loose fitting trail shorts.
