Overview

The little black dress of downhill! Hard-wearing and great looking, Tweedster fabric has a textured outer face for style but takes a beating and shrugs off water thanks to the DWR treatment and waterproof membrane. Certainly the burliest women's short in the Race Face collection, the Khyber Short is recommended for aggressive riding when extra abrasion resistance and durability is preferred. Mesh thigh venting enhances air flow. Assymetrical exposed zips and snap closure pocket flaps add style. Inseam is 36cm (14"), below knee, with hem openings large enough to accommodate Race Face pads.
