Overview

Heavily tested by the Yeti World Cup team, the Enduro Short gives the utmost in performance from all fronts: fit, function, and look. The fabric is durable, yet so light that you don't give these shorts a second thought. New this year we added another pocket on the leg to stash a tool or snack. The back pocket still fits your smart phone. The race cut design makes any rider look and feel like a world-class racer on the trail. Pair with the Enduro Bib for long days on the bike.
