Overview

The Freeland Short is the go-to option for those drawn to epic rides. The material is more substantial than the Teller short and the stash pockets provide extra storage on long rides. The look is toned-down and casual, but this short is packed with useful features.

- Silicone grip strip in waistband.
- Low profile, tech webbing waist adjustment to dial in the perfect fit.
- Stretch back panel for additional riding comfort.
- Zip thigh venting and stitched rivet venting.
- Durable, yet lightweight material with stretch performance.
- Glide patches next to skin for smooth pedal strokes.
- Seamless, gusseted crotch.
- Zippered stash pockets.
- 14" inseam
