Yeti Bearing Rebuild Kit SB5C 2014-2016

YC200020228

Genuine OE parts

Pack Quantity Piece
inc VAT

Overview

Maintenance is an important part of keeping your SB5-Carbon running smoothly. If you ride your bike as much as we do, we recommend a complete rebuild every year or so. We also highly recommend you have your local Yeti dealer take care of the service, but offer this bearing rebuild kit for those who prefer to do their own work.

- Enduro Max bearings for all pivot locations.
- **Does not include hardware.*
- Frame Model - Evil : SB5
