

Birzman Razor Clam

BM20-RCL

Material: Aluminium 6061 / Stainless Steel
Size: 82 x 26 mm
Weight: 15g

Pack Quantity Piece
Price : £7.99 inc VAT

Overview

Disc brake calliper alignment tool that creates an equal space between brake pads and rotor for calliper adjustments.

Features a folding handle which enables better accessibility when in use, and provides a buffer in storage.

Elongated body accommodates both two- and four-piston callipers.
